DHF Riding School

Summer Day Camps

DHF's Riding School Day Camps are a fantastic way for youth ages 6 to 16 to experience the joy of horses. In addition to riding lessons, campers learn all aspects of caring for horses such as grooming, tacking, handling, feeding, care of tack and equipment, and safety. Campers develop important life skills like confidence, teamwork, and responsibility while having lots of fun in an encouraging learning environment including horse themed activities, arts and crafts, and scavenger hunts.
